[INFORMATION]

WHAT IS YCITY?

Ycity is about creating space where you can make changes together with others based on your vision of the good life. The first Ycity arose in Denmark in 2008. In 2011 Ycity for the first time arises outside Denmark - in Lithuania.

WHAT IS GOING TO HAPPEN?

Ycity '11 will last for 8 days and is divided into 3 phases. The first phase establishes the city community. The second phase creates actions both in Ycity and in the local community. The third phase has focus on how you can take the ideas from Ycity and bring them home to your own city or local society.

HOW DO I JOIN?

If you would like to join Ycity '11 you have send an email to info@ycity.dk with the message that you would like to join. There is a limited number of participants so you have to send the mail as soon as possible.

HOW MUCH DOES IT COSTS?

EU's Youth Programme pays accommodation and 70% of the travel costs. You or your organisation have to pay the remaining 30% of the travel costs by own financing.
